- b) possibility of energy security if incase nuclear energy is completely phased-out,
- c) feasible alternatives in terms of sustainability, availability, affordability and competitiveness, with a special focus on renewable sources;

Activity

Drafting a Resolution Paper

Instructions

- You will be assigned into groups of 4
- Each group will be randomly assigned a country
- You will have 5 minutes to form blocs of 2-4 countries
- You will then have 20 minutes to write a resolution paper (one page)
- When time is up each bloc will send 1-3 representatives to present the resolution paper

Topic

Through years of warfare, the Middle East and areas in North Africa like Libya have become a hotbed for refugees. With their countries in disrepair they look for new lands and peace. As nations of the world you must work together to find a comprehensive agreement to the benefit of all nations involved regarding the management and welfare of refugees from troubled regions. Remember, you cannot voice your own opinion but that of the nation you represent.
